CURRICULUM PLAN – ART & DESIGN

In Art and Design at Daylesford we encourage diversity and difference in our students in an environment that challenges their creativity and talent. The *creative industries* are one of the most important generators of wealth in our country and a visual education will be advantageous for everyone in the 21st century. Projects are personalised around individual's strengths and interests. All Pathways introduce or build on pupils exiting skills in a wide range of art and design mediums including drawing, painting, mixed media, printmaking, sculpture, digital photography, image manipulation and textiles.

Pupils have regular opportunities to take part in competitions, craft workshops and group projects to further enrich their artist experiences with us.
